A Very Special THANKS!

The Board of WWAH would like to thank Chris and Jenn Armistead, who are stepping down as President and Vice-president of the Board of Directors as of 7/1/2010.

We cannot begin to express our appreciation for all of the effort and the hours that have been put in over the last year by Chris and Jenn as they directed the Board. They have been involved with WWAH since before we even had a building and have been one of the reasons we have been so successful. They have volunteered for every thing from cleaning the kennels and fostering pets, to taking our cause to Collinsville City Hall and working out a deal with the City for our Haven. No way to count they hours of love and dedication they have devoted to the pets who needed them.

Chris did not hesitate when asked to serve as President of the Board. He helped form an efficient group of volunteers into a professional, effective Board of Directors. We would not be where we are today without his leadership.

Behind every good president is a great vice-president. Jenn has always been right there with Chris to provide the support the Board needed to continue with our passion to save lost, abused, abandoned, and surrendered pets.

WWAH has been very fortunate to have the leadership of Chris and Jenn at the helm for the past year. Thankfully they will still be involved with WWAH. Chris has taken on the role of Treasurer and will still be our web master. Jenn will be on the Board of Directors.

Thank you Chris and Jenn. You are truly appreciated and admired by all of us at WWAH. You are the Cats Meow and Top Dog in the hearts of our pets!
