

**CITY OF COLLINSVILLE, OKLAHOMA
RESOLUTION 2020-03**

WHEREAS, on the 3rd day of April, 2020, the City of Collinsville passed a Resolution declaring an emergency with certain rules and regulations deemed necessary for the public health, safety and welfare of the citizens of the City of Collinsville and,

WHEREAS, the Governor of the State of Oklahoma introduced a plan to reopen the State of Oklahoma for business incrementally in phases beginning on April 24, 2020 with Phase I allowing certain businesses to re-open subject to guidelines for those businesses to follow upon reopening.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF COLLINSVILLE, OKLAHOMA, THAT RESOLUTION 2020-02 BE AMENDED AND REVISED TO ALLOW FOR THE REOPENING OF THOSE BUSINESSES SPECIFICALLY REFERENCED IN PHASE I OF THE GOVERNOR'S PLAN BEGINNING APRIL 24, 2020 WHICH PROVIDES THAT THE FOLLOWING BUSINESSES CAN REOPEN:

1. Personal care businesses, such as hair salons, barber shops, spas, nail salons and pet groomers can reopen for appointments only, must adhere to sanitation protocols and follow guidelines posted on the Oklahoma Department of Commerce website regarding social distancing between customers and visitors at personal care businesses.

All other rules, regulations and restrictions contained in the City of Collinsville Resolution 2020-02 shall remain in force and effect until Thursday, April 30, 2020 at 11:59 p.m. unless extended or terminated by further order.

Public notice of this resolution shall be given to and filed with the City Clerk of the City of Collinsville.

ADOPTED AND SIGNED this 23rd day of April, 2020.

Neal "Bud" York, Mayor

Attest

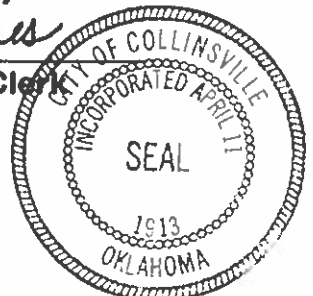

Angela McGinnis, City Clerk

Ken Ray Underwood, City Attorney

Approved as to form

Employer Guidance for Oklahoma's Open Up and Recover Safely

PERSONAL CARE BUSINESSES: HAIR & NAIL SALONS AND BARBERSHOPS

- May reopen for appointments only beginning April 24, 2020
- Must adhere to strict sanitation and disinfecting protocols and social distancing guidelines

Temperature Checks

Hair and nail salons and barbershops should consider use of a touchless infrared thermometer to check the temperature of employees each day. Any employee who has a temperature above 99°F should be sent home immediately and not allowed to return to the salon/shop until they have no fever and no evidence of COVID-19 symptoms.

Sanitation & Disinfecting Guidelines

- Use disinfectants and sanitation products approved by the Oklahoma State Board of Cosmetology and Barbering or EPA-registered and labeled as bactericidal, viricidal and fungicidal for tools and implements used in hair salons, barbershops and nail salons.
- Clean tools and implements regularly with soap and water before disinfecting them. After cleaning, disinfect tools and implements per guidelines approved by the Oklahoma State Board of Cosmetology and Barbering.
- Replace disinfectants regularly.
- Regularly clean and sanitize surfaces that customers come into contact with such as chairs, door knobs, point of sale equipment, handles, shampoo bowls, etc.
- Launder all towels, capes and linens after each use or disinfect non-porous surfaces.
- Hand/foot nail drying tables should be cleaned after each customer.
- Manicure and pedicure tools, including bowls, should be cleaned and disinfected before each customer and in accordance with any normal procedures from licensing boards.

Social Distancing Guidelines

Hair Salons, barbershops and nail salons are personal contact businesses. Remaining six feet apart as in other businesses is not possible in these establishments. However, there are guidelines that can be utilized allowing these businesses to operate while also minimizing risk from COVID-19.

- Wash hands regularly with soap and water and consider using personal protective equipment such as gloves or face masks if the customer requests.
- If wearing gloves, wash hands after removing gloves and discard used gloves.
- Consider using hand lotions to keep skin intact from frequent hand washing.
- Consider providing hand sanitizer to customers.
- Stagger appointments to minimize the number of customers in the store.

Commerce**

Treatment rooms

- Clean and disinfect all surfaces such as, chairs, tables, electrical appliances (don't forget the cords).
- Clean and disinfect all linens and store in a closed container/cabinet.
- Clean and disinfect all hampers that hold soiled linens and be sure to use one that can be lined and closed.
- Remove and discard any products that could have been contaminated by improper unsanitary use. Replace with new product.
- Clean and disinfect all devices after each customer's use.
- Empty all wax pots and disinfect before refilling them with new wax.
